Scheduling Inspections by Telephone

You can now schedule Building inspections using your telephone to access an automated response system.

Call 303-438-6376

You will need your permit number and the 3-digit inspection code (located on your permit card or the back of this brochure).

You can also:

- Check Inspection Results
- Cancel an Inspection
- Reschedule an Inspection

When you call, you will be given the following options:

1. Enter a Permit Number (You will need to enter just the numeric portion, example: for permit number BP-09-00022 enter 0900022.)
   (1) Hear Results
   (2) Schedule a New Inspection
   (3) Cancel an Inspection
   (4) Reschedule an Inspection
   (5) Enter a Different Permit Number
   (8) Repeat the Options
   (0) Contact Our Staff
2. Frequently Asked Questions
