below, revert to the City.

8.2 PRESUMPTION
If the owner or the owner’s heirs shall fail to use the lot or burial space within 50 years from date of purchase, then the City shall have the right and option to repurchase the remaining unused portion of the lot or burial space at and for the same amount without interest paid by the original purchaser. If the City exercises its option to repurchase any unused lot or burial spaces, the repurchase price shall therefore be determined by dividing the amount paid by the original purchaser of such lot or burial spaces to be so repurchased and deducting therefrom all sums paid to said City for the perpetual care of said unused lot or burial spaces.

8.3 NOTICE REQUIRED
Abandonment shall not be deemed complete unless the owner, heirs, or assigns shall be notified of the abandonment in writing, mailed to the owner’s last known address, by the City Clerk. In the event that the address of the owner or heirs cannot be ascertained, then notice of such abandonment shall be given by publishing the same in a local newspaper once a week for five (5) weeks.

8.4 FAILURE TO REPLY
If the owner, heirs, or assigns fails to inform the City Clerk of an intention to retain the burial space(s) within sixty (60) days after the date the Notice of Abandonment was mailed or after final publication of such notice, then abandonment shall become final and the City may thereafter sell, transfer, and convey the right to interment therein. The funds derived from any sale of an abandoned burial space shall be deposited in, and become a part of, the Cemetery Fund.

9.0 TRANSFERS AND ASSIGNMENTS

9.1 CONSENT OF CITY
No transfer or assignment of any right to a burial space, or interest therein, shall be valid without the consent in writing of the City first to be had and endorsed upon such transfer or assignment, and thereafter being recorded on the books of the City.

9.2 INDEBTEDNESS
The City shall have the right to refuse to consent to a transfer or an assignment as long as there is indebtedness due to the City by the owner of record.

9.3 TRANSFER BY DESCENT
In the absence of a specific disposition of a burial space in the owner’s last will and testament, the lot or burial space shall, upon the death of the owner, descend in regular line of succession as described in the state statutes to the heirs of the owner. It shall be the responsibility of the descendant or descendants to provide legal documentation of heirship to the City prior to transfer of any lot or burial space.
9.4 REPURCHASE BY CITY
If for any reason it becomes necessary for any lot owner to dispose of their interest in any burial space, they may make application to the Cemetery Services Director for repurchase of their interest in such burial space by the City. Each of these individual applications shall be investigated by the Cemetery Services Director who may elect to repurchase the burial space at a price not to exceed 50% of the purchase price. The payment of the price agreed upon by the Cemetery Services Director will be made to the burial space owner or owners when they have conveyed to the City by deed or Certificate of Purchase a good and sufficient right to such burial space as approved by the City Attorney.

9.5 TRANSFER FEE
All transfer of rights to burial spaces and all assignments shall be subject to a fee. The fee must be paid to the City at the time of the transfer or assignment is requested. Transfer of ownership from a resident to a non-resident would be charged the difference in the price of all products plus the transfer fee. This would not apply to estate transfers.

Arrangements for Monday interments must be completed by 12 noon the previous Friday. Weekday services shall require 24 working hours notice. The Cemetery Services Director may require more than 24 hours notice if additional time is needed. Any exception must be approved by the Cemetery Services Director.
The Cemetery Services Director, or designee, shall appoint the time for the arrival of funeral processions at the Cemetery. At least one hour shall be allowed between the times of arrival of funeral processions to be held on the same day unless waived by the Cemetery Services Director, or designee. When two funeral processions arrive at the Cemetery near the same time, the funeral procession arriving first shall proceed and have precedence in entering the Cemetery. The other procession shall proceed in accordance with the instructions of the Cemetery Services Director or designee. No funeral procession will be permitted in the Cemetery after 3:30 p.m. except by special permission of the Cemetery Services Director, or designee. 10.7 BURIAL VAULT INSTALLATION
A fee in the opening/closing costs shall be charged for all vaults installed by the City. The City will install all vaults unless otherwise approved by the Cemetery Services Director. Any individual, mortuary or company receiving approval from the City for installation must provide evidence of liability insurance and may be required to provide a bond in an amount acceptable to the City prior to installation of any burial vault. Any individual, mortuary or company other than the City engaged in the installation of a burial vault shall be solely responsible for the safety of individuals, or any and all damages which may result.
