

August 11, 2023: The Broomfield Police Department is reminding residents to remove all valuables from their vehicles and lock all car doors overnight. In addition, please remember to remove garage door openers from vehicles, close overhead doors, and lock all interior garage doors.

The BPD is currently investigating a series of vehicle trespasses and home burglaries in the area of Spruce Meadows, near 152nd Avenue and Zuni Street from earlier this week. Detectives have confirmed the suspects are connected to similar incidents in Cherry Hills Village, south of Denver.

At least one of the suspects was carrying a handgun during the burglaries in Broomfield. If you see any suspicious activity in your neighborhood, please call 911 immediately. The Broomfield Police Department has increased patrols in the area.

In addition to locking your vehicle remember to do the following things as part of your "9PM Routine":

- Take keys out of vehicles
- Set alarms
- Lock windows
- Make sure exterior lights are working properly
- Make sure exterior surveillance cameras are working properly
- Check on your neighbors to make sure their garage doors are closed
