

WASTE CONNECTIONS
Connect with the Future®

Dear Broomfield Resident:

New waste and recycling services are coming to Broomfield on **March 31!** The City and County of Broomfield (CCOB) has contracted with Waste Connections of Colorado to provide curbside trash collection and recycling. This program will help increase recycling, reduce waste going to landfills, and provide efficient services that offer great value for all residents. For more information about the program, please visit Broomfield.org/ResidentialWasteServices or scan the QR code.

Residents will automatically be enrolled in the program and will no longer need to find their own trash and recycling services. **Note: Residents have the option to opt out of the program on or after March 31, 2025, by calling Waste Connections at 303-288-2100.** The fee to opt out of the program is \$10.50 per month.

Trash cart rates are based on the size of the trash cart you choose to best meet your household's needs. The smaller the trash cart, the lower the cost; so the more you recycle and the less you waste, the more you save. With all trash cart sizes, a large, 95-gallon recycling cart is included. In this way, the program incentivizes residents to recycle.

What services are part of the Residential Waste Services program?

Starting the week of March 31, services will include:

- Weekly trash collection
- Every-other-week recycling collection

What are the fees?

SMALL CART
\$10.50 per month

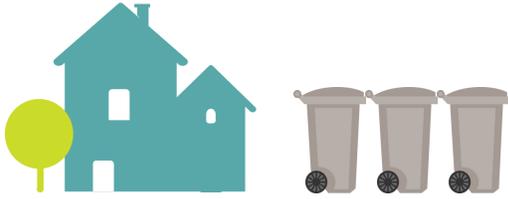

MEDIUM CART
\$19.43 per month

LARGE CART
\$29.93 per month

All prices include a 95-gallon recycling cart. Extra trash bags cost \$3.50 per bag. An extra 95-gallon recycling cart costs \$4.00 per month. Program Opt-Out costs \$10.50 per month.

Seniors 65+ and active military/veterans are eligible for 10% off.
Call Waste Connections to determine if you are eligible for a discount.

Seniors (65+) and households with incomes at or below 60% of the Area Median Income are eligible for reimbursement of expenses related to cart removal fees from a previous hauler. Visit [Broomfield.org/ResidentialWasteServices](https://www.broomfield.org/ResidentialWasteServices) for more information.

When will carts be delivered?

Carts will be delivered March 17 - 28.

What day will I be assigned for trash or recycling service?

Please refer to the two maps and calendar enclosed with this letter to determine your service day. The recycling collection week displayed on the map coordinates with the color on the calendar. If you have questions, please contact Waste Connections.

Please follow these guidelines:

- Trash carts must be placed on the street or in the alley near the curb by 7 a.m. on service day.
- Do not place the following items in the cart:
 - Hazardous or prohibited waste or materials such as motor oil, tires, batteries, herbicides, pesticides, or acids.
 - Dead animals, dirt, sod, brick, concrete or rock, hot ashes, coals or flammable materials such as solvents, oil, gas, or liquid paint.
- Please carefully follow the recycling guidelines included with this letter and available online at [ecocycle.org/resources/recycling-guidelines](https://www.ecocycle.org/resources/recycling-guidelines).
- Leave at least two feet between containers and do not park personal vehicles within ten feet of containers on your service day.
- Handles should be placed towards your house. Do not drill into, bolt, or fasten anything to the cart.
- Items too large to be placed in a closed trash cart or in an additional trash bag can be picked up by Waste Connections for \$25 per item. Schedule a pickup using the Waste Connection online pickup request form or call Waste Connections.
- Trash should not be higher than the lid of the container nor be placed on top of the lid to ensure pick-up.
- Leaves, yard/grass clippings, and trash should be bagged, tied, and placed in the trash cart. Do not bag recyclables; please place them loose in the cart.
- Do not pack materials tightly into carts.
- Please note the drivers can be out until it gets dark.

Thank you for being part of this program that improves waste and recycling services in Broomfield. For more information about the program, visit [Broomfield.org/ResidentialWasteServices](https://www.broomfield.org/ResidentialWasteServices).

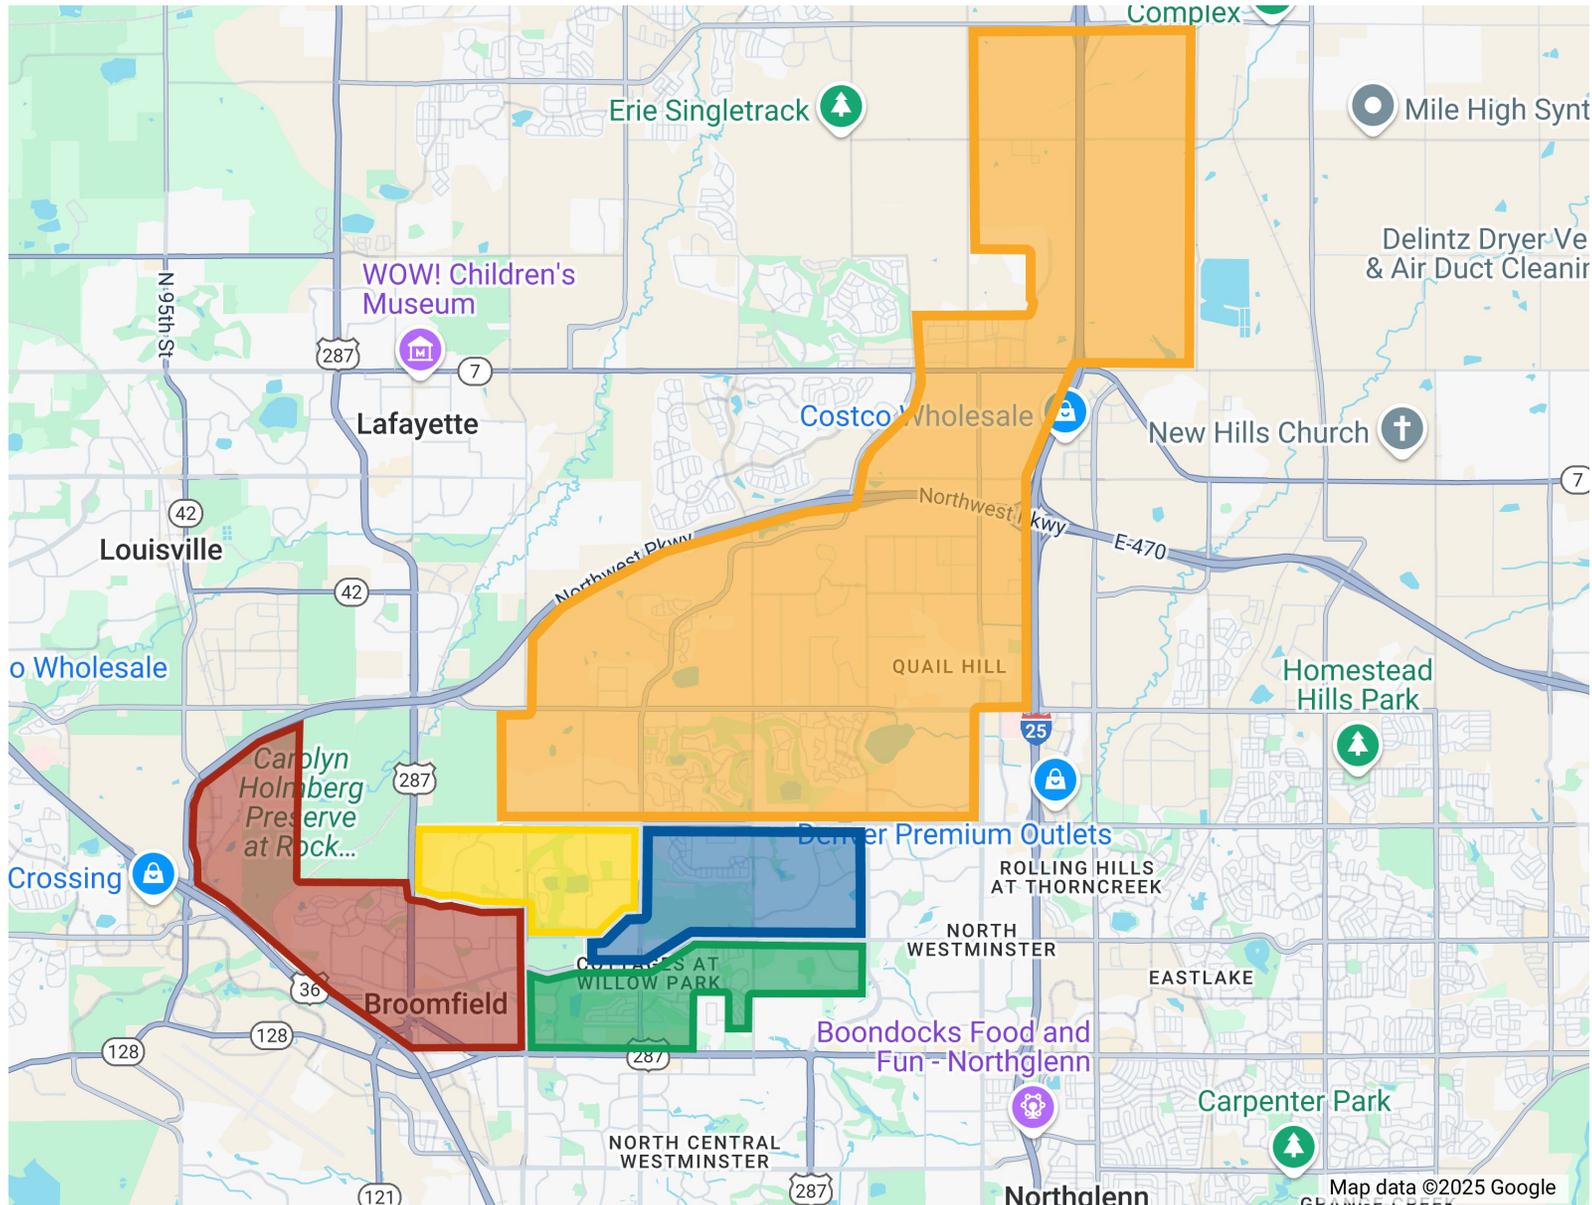

If you have any questions regarding waste collection services, please contact Waste Connections of Colorado at 303-288-2100 or via email at customerservice5311@wasteconnections.com.

General questions about the program can be directed to Broomfield staff at 720-887-2278 or via email at sustainability@broomfield.org.
