

HOW TO BECOME AN ELECTION JUDGE

You must **contact your local political party** representatives to inform them of your interest in being considered for the General Election this November. Each major political party provides a list of recommended judges to our office 60 days before every election.

Broomfield Republican Party:

Unaffiliated electors should reach out directly to our office at electionsdivision@broomfield.org. We will place you on the unaffiliated list of potential judges who are interested in working as election judges.

Participating in an election as an election judge/poll worker is not limited to Election Day. There will be a variety of locations and positions available for any given election. The following are approximate date ranges for training / working in the next two elections. We ask that interested individuals have the availability to work during these time frames.

2025 Coordinated Election - Election Day is Tuesday, November 4, 2025

- VSPC and Ballot Processing: October 20 - November 4, 2025. Supervisors will be required to have availability until November 26, 2025. (These dates do not include at least 1 day of training TBD in September / October)
