

City and County of Broomfield, CO in conjunction with BSI Online Backflow Testing

This notice is to inform you the **City and County of Broomfield** is contracted with Backflow Solutions, Inc. (BSI) to assist in their cross-connection control/backflow program. Below is the pertinent information.

Testers will be required to login or register on the BSI Online website to submit your credentials and annual test gauge calibration. New construction companies will be required to pass these guidelines on to testing companies. Please see pertinent program information below.

Fees:

- The filing fee of \$14.95 per test report submitted is applied.
- Fees can be paid by any major credit card.

Credentials:

- Each tester must have:
 - a current backflow license
 - an annual test gauge calibration
- Each testing company must have:
 - a Colorado Fire Suppression Contractor License to test fire devices
- If valid credentials are not submitted and up to date, test reports will not be accepted.

Reminders:

- Updated your **contact information** on your BSI profile, including an email address, phone number and addresses.
- Once you login, you can search for properties and devices, view transaction details and receipts, and store multiple payment methods

New to BSI / Need to Register? You will be required to create a profile with BSI Online, upload your credentials, including licenses and test gauge calibrations, and establish an administrative user.
